# TEXAS STYLE SLOW COOKED BBQ RIBS

As our name suggests we're all about RIBS, so we searched the world (also known as Texas) to find the best dang rib recipes money can - and cain't - buy.

In Texas when we put on a Bar-B-Que we like to take a little time to get things just right. Y' cain't rush perfection now can ya? So we cook slow. Real slow. Slower than a snail hitchin' a ride on a turtle. For a full 8 hours or more don't y' know. That's why we're sure you're gonna love each and every mouthful.

And that right there makes us proud to be of service. We're so proud of our Ribs in fact, we darn near broke an arm patting ourselves on the back.

So limber up those jaws o' yours, tuck ya napkin into ya collar, have a big ol' bite of these tasty vittles and take ya taste buds on the chin-waggin' chariot to culinary heaven.
